COMMUNITY OF PRACTICE FOR VOLUNTEERS LEADING CLASSES

Description

Literacy Minnesota's volunteer training department is facilitating a community of practice for volunteers who lead adult education classes. This is a participant-directed experience facilitated by Tutor Training Coordinator, Meghan Boyle, who has 12 years of experience leading adult ESL/ELL classes. The outcome for participants will be improved effectiveness and confidence in independently leading adult education classes.

Participants

Volunteers leading adult education classes on their own or with a co-volunteer. Participants should not have close support and supervision from a staff person.

Example activities

- Share experiences and ask questions
- Learn from other participants, the facilitator and the facilitator's research
- Engage in problem-solving, sharing materials, synergy and optional classroom visits

Possible topics

Differentiating activities, routines, open enrollment, classroom management, coordinating efforts with other volunteers, requests for support from program staff, etc.

Format & schedule

Participants will meet virtually via Zoom on Fridays from 1-2:30 on **November 8th & 22nd and December 6th & 20th**. Attending all four meetings is not mandatory, but it is strongly encouraged. Participants will receive 1.5 CEUs for each meeting they attend.

[Apply with this link](#) or QR code by Friday, October 25th or email Meghan at mboyle@literacymn.org with questions.

PictureTalk

Ask what they see in the picture.

Ask them to describe what they see.

For early levels: ask them the color, if it is big or small, is it next to something, far from something, how many are there, etc.

For higher levels, you can ask what is happening in the photo, why it is happening, what they think will happen next.

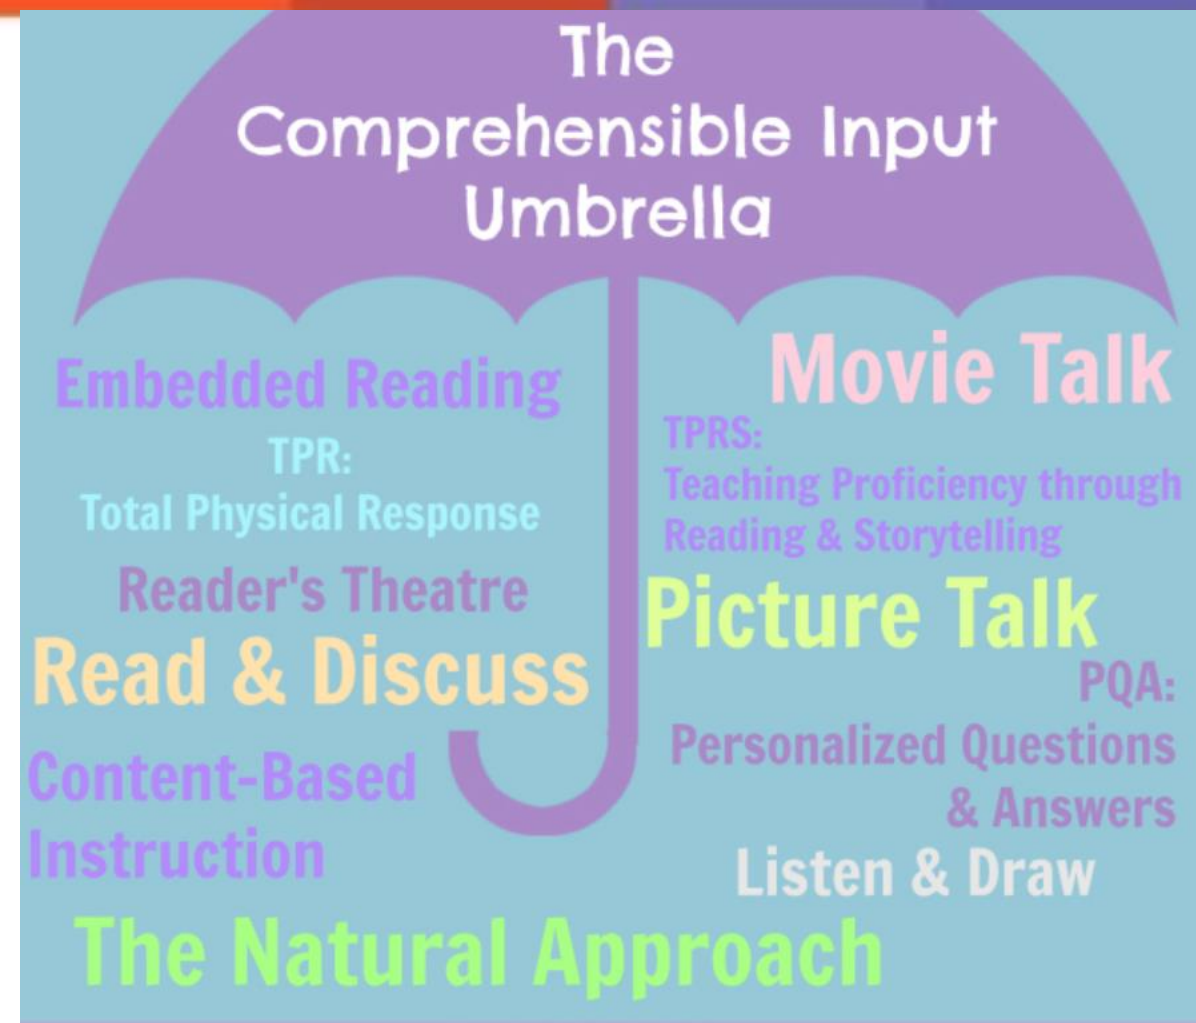

Discuss. Agree/disagree. Logical or not? Tell a background story of the photo.

You can also show two pictures and ask them to talk about the differences between the two pictures.
